## School Description

Los Molinos High School is located in Tehama County, 25 miles north of Chico on Highway 99E near the Sacramento River. LMHS has a robust history of high academic achievement and many graduates attend post secondary institutions. Enrollment is approximately 218 students in grades 9 – 12.

Los Molinos High School's mission is to develop college and career ready, goal-oriented, responsible students through a rigorous, engaging, and positive learning environment that promotes creativity and diversity, cross-curricular connections, and a commitment to community.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Los Molinos High School, as well as the other two LMUSD school sites, underwent a much needed modernization update that ended in December of 2019.

LMHS boys and girls bathrooms were remodeled to increase ADA access and overall improved functionality. All classroom HVAC units were replaced with new ones. The fire alarm system was updated to current code standards. A new staff ADA accessible bathroom was installed. New water filtration centers were installed in hallways, locker rooms, and key CTE classrooms.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

LMHS has been committed to increasing Parent Involvement. This is a district board goal as well as a SPSA focus area. Parents have the opportunity to participate in our ELAC, SSC and PBIS committees. In addition, we are exploring new venues to invite parents to our school. Numerous parents participate in other opportunities such as fundraising, boosters, and sports. We are a village helping our kids!

For more information, please contact Superintendent/HS Principal, Mr. Adame

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

The Safety Plan is continually revised to reflect current needs. Recently the comprehensive safety plan was revised to reflect a common approach at all district school sites. The model for the plan uses the ALICE protocols and Catapult School Emergency Alert Notification system. The safety process also involves the Tehama County Sheriff's Office in review of the various response protocols.

Each staff member is provided with a comprehensive school-wide safety plan. Fire, disaster, and emergency drills are held regularly. Health and safety agenda items are placed on all staff and School Site Council meeting agendas for review, input and modification. A district team updates all aspects of the plan accordingly. Last date of review, update and discussion with staff: August 2020.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.9	3.4	1.2	4.3	3.5	3.4
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.9	3.3	2.5
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
